Scoring

Points Above represent the ranking position for that event (Except the final events) 1=first place, 2=second place, etc

In the event of ties the points for those positions were averaged. Example T5014-1 and T0098-1 both had tied top score in memory. Position 1&2 average to 1.5 which each team earned

Final event scores we base on the bracket level a team was defeated in. defeat in First round=9 pts, second=7 pts, etc. Event winner got 1pt
