

# 2023 TOWPATH KLONDIKE

DATE: 27, 28, 29 JAN

Location: Niagara County Fair Grounds

## AGENDA:

This is created to be a Patrol Leader driven Klondike Derby. To challenge the PL's and give them opportunity to excel in their time management and scout skills within the troop. Reaffirms fair play and in today's environment, not everyone wins, but nobody loses. Only 1 troop can EARN the Klondike trophy, all others can learn (not lose) and hone those scout skills for next year. Meals will be provided by your troop, for your troop. Games are 28<sup>th</sup> only.

## Rules:

1. Winner is the **Patrol** with the lowest score at the end.
2. Patrol sizes; 2-8 scouts maximum. Troops and patrols **WILL NOT** be combined at any event. You compete with the numbers that you have.
3. Points are earned on each event by the order they place. Example; 1<sup>st</sup> place = 1pt, 2<sup>nd</sup> place = 2 pts, 3<sup>rd</sup> place = 3pts, etc.
4. Scoring will be done by event judges only. Any tie-breakers will be determined as follows:
  - Least amount of scouts used to win
  - Lowest ranked scout wins
  - Youngest DOB scout wins
  - Coin flip
5. Events not completed in the given time will earn Patrol last place points. EXAMPLE; If we have 10 patrols competing and 3 patrols do not complete the same event, they would all receive 10 pts.
6. Your entire patrol will stay together and compete together this year. Take your sled to every event with your required gear. All gear must be on sled for the entire Klondike to include the race at the end. Please turn in event sheets to registration table with the scouts names of participation on them before 0900 start time. This has to be accomplished before you begin events.
7. Other than for safety reasons, **any adult assistance will result in automatic 5pt per event addition to the assisted patrol.**
